

THE BIG VCS CONFERENCE 2018

# The Crest of the Wave

Which way from here? Your chance to lead the change

Thursday 15<sup>th</sup> March at the Crowne Plaza Hotel 9.30-4.30

## The event will include:

- Speakers from Esmee Fairbairn and Participatory City
- Presentations, stalls and workshops on being a Compassionate City
- Keynote speakers on our joint action for a Sustainable City, a green manifesto and action on plastics
- Youth voices on creating their own futures and services
- Our Plymouth website, to keep us all in touch and active.....
- And incorporating the POP+ AGM

## Book

By searching 'Crest of the wave' on Eventbrite

# The Crest of the Wave

How to take part in the conference

YOUR CHANCE TO LEAD THE CHANGE

Presentations: We want to showcase ALL the energy and drive in the city – all the things that people have just done for others because it needed doing.

And there's more.....if you don't want to be on stage.....you can

1.

Contribute to room discussions *or* table discussions where you can talk about your work.....not just what you have done already, but what you would like to do, and what you could and will do in future.

2.

Networking time is being built into the day, for people to share what is happening in the city.

Collaborations and new ways of working need to be heard and seen. Drum up some support by taking part.

3.

Stalls: Book one of these to advertise a project you have done or something you dream of doing.

Sharing will mean others can add resources and we will be nearer to making that dream come true

Please let us know by 1<sup>st</sup> March if have something you want to share. Let us know.....

- What is it?
- Can you set up a stall for people to talk to you and explore it? Do you want to book one?
- Would you like to do a (very short!!) presentation of it?

Reply to [info@plymouthoctopus.org](mailto:info@plymouthoctopus.org) or [jan@plymouthoctopus.org](mailto:jan@plymouthoctopus.org).

And for everyone.....please come full of ideas for 'leading the change'
